

Imagine Your Story Reading Log

Instructions for grown-ups: Do each task with your child. Cross off a circle when you're done. There is no need to return the log to the library this year since prizes will be distributed in activity packets at regular intervals. However, you may still want to keep track. Check out our website for ideas.

Read for 20 minutes	Play outside	Read two picture books	Read for 20 minutes	Build something
Read outside	Read for 20 minutes	Tell a story to a friend	Read for 20 minutes	Play peek-a-boo

Read for 20 minutes	Spin in circles	Read for 20 minutes	Read a favorite book	Blow bubbles
Read on a rainy day	Read for 20 minutes	Read for 20 minutes	Balance on one foot	Make a piece of art

Hello readers! This year's summer reading program is going to be different. Because we're still practicing social distancing to keep you safe, this year's program will be mostly independent. We won't have any big gatherings. However, we will be producing online content and distributing packets with worksheets, crafts, coloring and other fun stuff every week!

FAQ:

How do I sign up?

You can call the library at 507-744-3977 starting on June 8th. Or, if you prefer, sign up online through our website, lonsdale.lib.mn.us. Please do register so we know how many kids are participating.

Do I need to turn in my reading log?

No. The library will not be keeping track of your achievements this year. Do not return your reading logs to the library.

Will we still be able to earn prizes?

Yes and no. We won't be giving out prizes based on how many tasks you complete. The good news is, we will be distributing prizes in some of your weekly activity packets. Everyone's a winner!

So why should I keep track of my reading?

Personal achievement, pride, competitiveness. Isn't it great to look back after six weeks and realize how much you've accomplished? Or maybe even better to read more than your siblings...

Will you be having big events like the pizza party?

No. We will not be doing any large gatherings this summer.

What about crafts and other activities?

Instead of gathering together to create crafts and work on other projects we will package up weekly kits with crafts, worksheets and other fun stuff arranged by age group. You can pick up your kit at the library at a time that is convenient for you. Please take only one packet per kid per week. We encourage you to share your finished projects on our Facebook page or Instagram.

Will the library be open?

Yes, the library will be open for limited hours for browsing and pickup of materials and use of computers. Social distancing will be in effect.
